

## Fife Council's Big Change Challenge Consultation on Draft Budget Proposals – Dalgety Bay Sports and Leisure Centre

Fife Council's Consultation - Big Change Challenge - has been underway for several months offering people across Fife the opportunity to comment on the proposals, and attend a series of face to face meetings that were held during the month of December. The purpose of the consultation has been to raise awareness of the challenges that lie ahead and give people information on the choices facing the Council not just next year but in the future. As part of the Draft Budget Proposal there is a potential investment of £100K for the **Dalgety Sports Facility**. The proposed investment to be used for the wider development of gymnastics at the Dalgety Bay Sports Facility.

Representations from the community, clubs and user groups, suggest that people feel that there had not been sufficient communication and consultation by the Leisure Trust on this specific proposal. Local ward councillors approached the Leisure Trust and a presentation was made at the Community Council meeting of 13 January. The presentation set out the overall picture in terms of current use, and the options around potential future use of the facility. Presentation can be viewed at the Community Council website [www.dalgetybay.org.uk](http://www.dalgetybay.org.uk) also at Dalgety Bay library where a box will be provided for comments. Emails can be sent to the Community Council Secretary, [jeanette.gray1@btopenworld.com](mailto:jeanette.gray1@btopenworld.com).

The Community Council would invite local people to respond to this specific draft budget proposal. Submissions to be made by **February 9<sup>th</sup>** for review at the Community Council meeting on 10<sup>th</sup> February. This is a *draft proposal* and no decision will be taken until the consultation is complete.

The wider budget consultation process is also still open online until **22 January** and can be accessed at [www.fifedirect.org.uk/bigchange](http://www.fifedirect.org.uk/bigchange).

If you oppose this proposal it is **vital** that you make your voice heard by posting a comment, before the deadline of **5<sup>th</sup> February 2014**, on the Fife Council website as described below. This is the only way Fife Council will know what the community's views are on this matter.

# YOUR COMMUNITY COUNCIL

## ...up to the minute

The Community Council holds its regular meeting on the second Monday of each month at 7.30pm in Dalgety Parish Church Hall. Members of the public are welcome to attend and listen to the discussion or to raise matters of special interest to them. Please note that the minutes displayed in the Diary are edited from the 'draft' minutes. The full agreed minutes of every meeting are displayed in the Library.

### PRESENTATION BY WENDY WATSON, DB SPORTS CENTRE TRUST MANAGER ON BUDGET PROPOSAL.

Wendy thanked the Community Council for the invitation to attend the meeting to fully explain the situation regarding the proposal in FC Budget consultation to invest £100,000 to install a sprung floor in the sports hall to accommodate gymnastics. The Trust had made an economic decision to apply for money from the budget, which was allocated to sports facilities.

If this goes ahead the sports hall would predominately be used for gymnastics and groups such as the Badminton Club, Nifty Fifties, Quid a Kid etc would have to travel to other sports centres such as Duloch, Inverkeithing and Cowdenbeath.

Representatives from both gymnastics and the groups who would be displaced by the proposals were in attendance. The proposals were said to acknowledge the popularity of gymnastics, their special requirements and the income they generate to the Centre in fees.

Objectors cited the fact that the Centre had been a planning gain for Dalgety Bay paid for by Tay Homes for the building of the St Davids development and residents should not have to travel to other areas for facilities.

It was strongly agreed that the consultation process had been very badly carried out with information of the proposal only coming to light but Councillor Laird stated that agreement for the proposal had to come from residents of Dalgety Bay and that the monies could be ring fenced to give time for views to be heard.

It was agreed by the meeting that Dalgety Bay residents must be given the opportunity to express their opinion on the proposals as a matter of urgency. Wendy agreed to supply information for the website and it was hoped that there is still time to have something in the Diary.

Wendy and Councillor Laird will also contact the two primary schools.

#### **SEPA UPDATES-Dalgety Bay Foreshore Radiation**

Dr Paul Dale updated the meeting by saying the MOD had still to complete their latest investigation of the contaminated area as to its extent and characterisation. This is expected to be completed by the beginning of the new year and in January consultations will take place with the stakeholders on the resultant remediation options being produced.

It was recommended by the CC that remediation work should be completed at no later than by the end of 2014.

### **APPROVAL OF MINUTES OF THE OCTOBER MEETING**

With the addition of Harbour Place to heading of Item 6f, the minutes were accepted as true, proposed by D Pritchard and seconded by J McColl.

### **PUBLIC FORUM**

#### **a) Dalgety Bay Sports Centre**

Members of Acrobay and Dalgety Bay Badminton Club attended the meeting to discuss the proposal in FC Budget consultation process for changes to be carried out in the sports hall to accommodate gymnastics. This would result in other groups such as the badminton club having to use alternative sport centres at Duloch and Inverkeithing.

Councillor Yates informed that included in FC budget proposals was an investment of £100,000 to install a sprung floor for gymnastics. He stressed that this was at present only a proposal and further budget discussions will be carried out by FC before a decision is reached in February.

No consultation has been carried out with centre users and it was felt that the matter has been very badly handled.

The Chair has contacted FC and further details are awaited.

**Update.** Wendy Watson, Fife Leisure Trust, who now run the sports centre has agreed to attend the community council meeting on January 13<sup>th</sup> 2014 to answer queries and concerns.

#### **b) Sale of Land at Barns Farm**

Residents attended the meeting to express concerns at the marketing of the ground by Shell UK. Also that FC Planners are now designating the area as 'reasonable alternative for housing development' in the Local Plan.

It was agreed to hold a public meeting in January before the end of the consultation period on the Local Plan so that residents can make comments to FC if they wish.

**Update.** The Public Meeting will be held in Dalgety Bay Parish Church on Monday 27<sup>th</sup> January at 7 pm.

### **REPORT ON ITEMS FROM PREVIOUS MINUTES**

#### **a) Woodlands Management Plan**

The process of transfer of ownership to the Community Council is now being progressed with our Solicitor and Alfred Stewart Properties.

Discussion took place on the Risk Assessment Report and also the responsibility placed on the Community Council Office Bearers who will be Trustees. The Chair has been in contact with Zurich Insurance who has informed that in addition to insurance being in place for Community Council Office Bearers, the Woodlands Group must set up their own Public Liability Insurance. Quotes will be requested.

A meeting of the Woodlands Group will be held on 19<sup>th</sup> December when it is hoped a constitution will be agreed and the Group will be formalised.

#### **b) Pathway on Town Centre land**

FC Locality Manager has informed that the application for a grant to carry out the work has been unsuccessful. Alternative funding will be looked into.

#### **c) Play Park Redevelopment Group**

R Doyle reported on her attendance at the December meeting of the Group.

#### **e) Cyclists on Harbour Drive**

Councillor Yates has held a meeting with SUStran. There is not a simple solution to the safety problem, as extending the cyclists path would take away parking spaces. SUStran will send a drawing of the proposal.

#### **f) Shopping Centre**

Voluntary groups have showed interest on the use of the vacant shops. Discussion on costs and management of a community enterprise is still being investigated.

#### **g) Notice Board at St Davids**

Councillor Yates will report the matter.

#### **b) Damaged Sign at St Bridgets Brae**

The Chair will report this.

### **PLANNING**

#### **a) Springfield Properties**

Springfield Properties has requested attendance at a Community Council meeting to discuss the proposed planning application for 48 homes at Ridge Way on the industrial estate. Norman started with the Aboriginal bush call "Coowee, Coowee" .....an answer sounded from beyond the hall "Coowee; coowee" then Ben rushed through the door. It turns out that this is the call you would give or hear if you were lost in the bush in Australia. Norman and Ben Kurzman gave a presentation, entitled "Diggers Down Under" to the last meeting of DBHS. They took us through some of the national parks of Queensland Australia including Mount Tamborine, Lamington National Park and Gondwana Land, world heritage site. The range of woodland ranged from tropical to temperate and some of the plants were special. The fig ivy grew down through the trees and eventually, over many years, rooted itself to take over the tree completely. This resulted in hollow trees. We learned that never should you stick your hand into a hollow. You just never know what is in it.

When visiting home, Norman visited his sister who took him to Beelarong Allotments and Community Gardens, in which she has an active role. (It must be in the blood.) This was very interesting with a policy of recycling everything including waste from the on site toilets. There was a community building where you could have a meal from the produce grown and of course, being Australia, the ubiquitous barbeque.

We moved on to Brisbane and were shown pictures of both botanical gardens in the city and the grounds of Brisbane University. Ben is moving to Brisbane soon to attend the university. We at DBHS, where he has been an active member all of his life, wish him all the very best.

Our next meeting is the DBHS Annual Cheese and Wine. You can get your tickets, £5 each, from Michael Gourlay on 823425. Bring along a friend or two. The more the merrier. This will take place on Friday 7<sup>th</sup> February 2014 in Dalgety Bay Community Centre from 7:30pm. Please come along. We'll be happy to see you.

**Dalgety Bay Horticultural Society (DBHS) holds it's meetings on the first Friday of each month at 7:30pm in Dalgety Bay Community Centre.** You are welcome to come along to our meetings and, who knows, you may be convinced to join us. We offer discounts on seeds, chemicals, organics, seed potatoes and bedding plants, which we buy in bulk. Trees and shrubs are on offer and very reasonable prices. We hold a plant sale in May and our Annual Show is in September. Discounts at various horticultural establishments are offered. We also have around 50 allotments in Dalgety Bay.

If you think you may be interested in joining, please phone, **Michael Gourlay on 01383 823425**. He will give you all the information you need.

**Michael Gourlay, Chairman, DBHS**

## Jobs for February

### Seeds

Sorting seed packets into sowing month order can help to keep up to date at the correct time. I use an old office concertina file with slots for each month and additional ones for first, second, third and fourth quarter. Packets are put in the relevant earliest month and then sown if soil conditions appear right. If not then they are moved to the next month. Those which can be sown in succession can also be moved to a later month.

A good test of soil conditions is to stick your finger in the ground. If you can keep it there then conditions are probably okay for most seeds. If you find your finger gets frozen to the marrow then it's probably best to wait to "sow your seeds" (see below).

**Sweet peas** - sow seeds in good compost. Sow one seed in 3" pots or 6 to 8 in a 6" pot. They may need a little heat to germinate but once germinated they should be grown hard. Use an unheated greenhouse or cold frame. Chipping the seed coat or soaking in water should not be necessary and soaking may weaken the plant.

**Dahlias** - check stored tubers and discard any rotten ones.

**Vegetables** - you could sow: Broad Beans, Chicory, Onions, Summer Cabbage, Turnip and Early Peas now. But take note of the soil conditions as too cold and wet will not suit many seeds.

**Undercover** - A little extra protection in a greenhouse or better still a heated sand bed will enable the following to be sown in February: Aubergines, Beetroot, Carrot, Celery, Celery, Cucumbers, Kohl Rabi, Lettuce & Lettuce Mixes, Melons, Peppers, Rocket and Tomatoes. Also many of the herbs.

### Slugs

Yes it's that time again when the little dears start coming out to feed on all those nice new shoots in the greenhouse. Keep on top of them by using beer traps and placing slates and other refuges for them to crawl in. Half an eaten grapefruit is effective. Check them regularly.

Check possible hiding places outdoors as well as they like to hide under black plastic, stones, and so on waiting for the odd warm day. Despatch or translocate as you see fit.

Hi there from Dalgety Bay Playgroup. We have had another busy month. Along with our usual activities, such as Yoga Bugs and Kate from Chatterbox stories. We enjoyed a visit from the ladies at the library, who read the children Christmas stories. Hank also came in to talk to the children about Christmas.

On Saturday 30<sup>th</sup> November we had our annual Christmas Fayre in the Church Hall. This was a great success in helping to raise funds for the Playgroup. We had plenty of stalls; selling reindeer dust, the children's homemade salt dough decorations, tombola, guess the ginger bread house location, tombola, home baking, toys and books and

many many more. Our stall holders included Choc'z away, Ailsa's Nail bar, Second Heart Crafts, Party HQ, and The Whole Shebang. Not to mention the delicious hot rolls and yummy hot chocolate/marshmallow drinks on sale. Santa also managed to find time out of his busy schedule to pop along. Singing songs and chatting to all the children throughout the morning. Santa was cheered and applauded when he left. What a great memory.

We are open during school term time Monday-Friday 9.30am-12pm and Thursday afternoon 1pm-3.30pm and we accept children from 2 years 6 months. We also offer a lunch club on a Thursday to provide wraparound care, 12-1pm, where children can bring a packed lunch and stay an extra hour for only £3.50.

Dalgety Bay Playgroup follows the same Curriculum for Excellence as all Primary School Nurseries. Many of the children in Playgroup receive their antepreschool year of education with us before moving to complete their final year at one of the school nurseries. We have spaces available at the moment for our new January term and it would be great to meet some more new friends. Children from Dalgety Bay and all surrounding areas are welcome as we are not restricted by a catchment area. Each session costs £7.00 and each child is entitled to five free sessions per week from the term following their third birthday. Many of our new children were introduced to Playgroup by first attending our 2+ Club, which runs on Thursday afternoons 1pm - 2.45pm and Friday mornings 9.45am - 11.45am at a cost of £2.50 (including snack and drink). This is a great way for younger children to have fun with the reassurance of their parent/carer being with them.

If you are interested in registering your child for Playgroup or 2+ Club please email [dalgetybayplaygroup@hotmail.co.uk](mailto:dalgetybayplaygroup@hotmail.co.uk) or pop into the Playgroup at Dalgety Bay Parish Church (War Memorial entrance) during our sessions and we will be happy to arrange for you to have a look around. <http://www.facebook.com/DalgetyBayPlaygroup>.

## Club News Happy New Year!

I always put the paintbrushes & pencils away for a couple of weeks over Christmas and New Year to give myself (or my family maybe) a little time to reflect on things that worked and things that didn't work so well and to give myself a bit of time just to think about what I would like to try in the New Year. I also give my studio a jolly good tidy up ready to start afresh in January. So now I am raring to go!

We held our first ever Christmas Sale in December at the Club premises. Thank you to everybody who exhibited and to everybody who popped in to see the wonderful display of paintings and treated themselves to a cup of tea and mince pie.

The Committee will be hard at work planning and organising lots of new workshops, demonstrations and events for 2014 so keep an eye out on the notice boards at the Club if you would like to join in.

## Dalgety Bay Sports and Leisure Centre

I refer to an article regarding the proposal to develop a gymnastics training centre at Dalgety Bay Sports and Leisure Centre in the Dunfermline Press 19<sup>th</sup> December. It is fantastic to witness the success of the Acrobay gymnastics club and that Fife Council are proposing to invest £100,000 in this project. However, what the article failed to point out and I suspect a great many people in the Bay are not aware of is that this proposal will mean that all the other current users of the sports hall will lose the facility as it will be replaced by a purpose built gymnastics training centre. This change has been poorly communicated to the other users and has been presented as a *fait accompli* without any consultation whatsoever.

Fife Council's desire to support the development of sport in the area is to be commended and certainly the investment put into Glenrothes, Kirkcaldy and Carnegie is impressive and whilst recognizing the efforts of the gymnastics club and their desire to expand and offer further activities the Sports Hall was developed as part of the development in that area for the use of the residents of Dalgety Bay not just one exclusive group.

If the proposal is accepted through the budget process the change will take place in the summer of 2014 and the facility will be lost to all other users.

**David Ancliffe, Dalgety Bay**

### Dear Diary

I wish to complain about the items of clothing that are on show in the window of the previous Dunfermline Building Society in Dalgety Bay which were on show previously in the Dry Cleaners Window (whose premises are currently under repair).

These items include underpants with the word "bawbags" written clearly for all to see, I find this word offensive and certainly feel that there is no place for it in a shop window where both children and adults alike can see. I think these items should be removed as it lowers the whole tone of the shopping centre.

Happy New Year from everyone at Acrobay!

After a busy time in the run-up to Christmas, the coaches and gymnasts let their hair down at a Fun Night in December before enjoying a well-earned rest over the holidays whilst the Sports Centre was closed. Everyone is now back in

the gym, refreshed and raring to go! We are midway through the competition season so our competitive gymnasts are training hard and preparing for upcoming events. Our youngest members, the boys and girls in the pre-school and development group who took the stage by storm recently at our Gymtasia show, are also busy perfecting their individual skills and learning new moves. Watch this space for our stars of the future!

Many club members are wearing Gymtasia t-shirts which were designed by two of our gymnasts, Bethany Woodburn and Eilidh Mitchell. Well done girls; not only do the t-shirts look fabulous but they have also helped raise funds for the club. Fundraising is still high on our agenda this year. Acrobay is, of course, non-profit making and any funds we raise are ploughed straight back into the club, to buy new equipment, subsidise gymnasts' costs etc. Once again, a huge thank you to everyone who has helped us raise funds.

We hope that 2014 will be as successful and eventful as last year. Fife Council's proposal to invest in Dalgety Bay's Sports Centre would be a fantastic opportunity for the club and the whole community. Not only would we be able to improve our training facilities, but it would also give us the chance to work with Fife Sports and Leisure Trust in adding to activities currently on offer. In addition to the existing recreational gymnastics classes for boys and girls at the centre, it is also hoped to add a wide variety of new and exciting classes for the whole community including trampolining, free running, fencing, cheerleading, dance tricks classes and to provide a disability gymnastics programme. These activities could also be offered to teenagers at The Edge on Saturday nights. We really hope that the community will support this proposal as we feel it would be a great investment for Dalgety Bay.

**Acrobay Gymnastics Club** is based at Dalgety Bay Sports and Leisure Centre. We specialise in Acrobatic Gymnastics and currently have 97 members, both male and female, ages ranging from 3 – 40. For more information please visit [www.acrobay.co.uk](http://www.acrobay.co.uk) or find us on Facebook.

Eucharist is held each Sunday at 11.00 a.m. Evensong is generally sung at 5.0 p.m. on the last Sunday in the month. In the past we used to have Evensong on the 5<sup>th</sup> Sunday in the month, henceforth we will have a service on the last Sunday in the month.

Eucharist will be held on Sundays 2<sup>nd</sup>, 9<sup>th</sup>, 16<sup>th</sup> and 23<sup>rd</sup> February 2014.

We had an amazing and productive Christmas and New Year. On 22<sup>nd</sup> December the Evening Carol Service had standing room only, the Crib Service packed the church and we had a short but meaningful service on Christmas Day. In between all that we managed to help Sally Watt pack 117 shoe boxes for deserving children as part of Operation Christmas Child. To everyone who helped and contributed, our very grateful thanks.

We have created a small website which will be used to tell you about what is happening at the church. Please go to <http://www.stcolumba-aberdour-sec.org>

Our **Christmas Celebration** took place on Tuesday, 3<sup>rd</sup> December 2013. There was, once again an enjoyable programme which included a set of hilarious drama sketches concentrating on how stressful Christmas can be when the focus is on all the wrong things. There were also traditional Carols where audience participation was invited, sacred dance and solos. There was an excellent turnout from the community and we were very pleased to see some regular faces coming back for more this year, as well as new ones. It was good to chat with you during the buffet afterwards and it blessed us to receive excellent feedback from some of our visitors.

The **Christmas Family Service** was held on Sunday 22<sup>nd</sup> December 2013. The Sunday School

children and leaders all wore costumes, taking their place in the Nativity tableau. The programme incorporated songs and readings by the children who performed very impressively. We introduced a few new songs this year, including "Welcome to our World" which was a popular addition to our Christmas repertoire. The theme of the message was to do with claiming back Christmas for Christ which demonstrated how commercialised Christmas has become and that Christ is not at its centre for many people these days. There was a great turnout of family members and they were all very proud of the children's display of enthusiasm and talent.

Our **Christmas and New Year Services** were well attended. Before each service, hot beverages and cake were served. On Christmas Eve, we sang Christmas Carols and heard Scripture readings, all of which focused our minds on the true meaning of Christmas. On New Year's Eve, at our Watchnight Service, we heard various testimonies of how God had moved in the lives of individuals throughout 2013. It was an exciting end to the year and we all look forward eagerly to see what God will do in 2014!

**Holiday Club** – The Holiday Club for 2014 is "Mega Makers" and is based on Matthew's Gospel. During Mega Makers! children will enter the inventor's workshop and make some mega discoveries about God, hear about how God's love is far wider and longer and higher and deeper than we can ever imagine and find out what it means to be a follower of Jesus. It will take place the week 4<sup>th</sup> to 8<sup>th</sup> August 2014. We're already looking forward to it, so watch this space for further info!

### Weekly Services

Our weekly services which take place at 11.00 a.m. and 6.30 p.m. on Sundays continue to be a blessing to those who attend. The message is always challenging and thought-provoking, with praise and worship that stirs the spirit. After the evening service, there is a tasty finger buffet, which is enjoyed by everyone and is a time when people can mix and have fellowship together.

### Bible Study Home Groups.

Bible Study groups take place on Wednesday and Thursday evenings starting at 7.30 p.m. in Dalgety Bay.

For further details regarding any of the above, please contact the church office on telephone number **01383-825095**.

## Thought for February

Our unknown future is secure in the hands of our all-knowing God.

"The Lord, He it is that goes before you; He will be with you, He will not fail you." Deut.31:8

Donibristle Playgroup hopes that you all have had a very good Christmas and New Year! All the children here had an amazing time, and we have enjoyed listening to all their stories of near sightings of the BIG MAN!!

Back in November we held our quiz night at The Bay Inn, and we would once again like to thank them for not only allowing us to host our quiz night in November but also donating the winning prize. We are hoping to organise another quiz night around Easter, again at The Bay Inn – details to follow nearer the time.

We have been very busy already since coming back from our Christmas break. Settling in and welcoming new children both to playgroup and our 2.5 club. We have also had fun celebrating both Burns night and the Chinese New Year with poems, artwork, food and music.

This month will also see us also celebrating Valentine's Day, again with poems and artwork.

Who would like to win £10? We are selling quiz sheets (£1 a sheet) and the lucky winner will get £10! Please pop into the playgroup on a Monday, Wednesday or Friday morning to get your quiz sheet, closing date for completed quiz forms will be Friday 28<sup>th</sup> February. All proceeds will be spent on resources for the playgroup – Good Luck Everyone!

We currently have places available at our playgroup; so if you are 2½ years old and would like to come to our 2.5 club, or you are 2 years and 10 months or older and would like to visit us, please contact us at [donibristleplaygroup@yahoo.co.uk](mailto:donibristleplaygroup@yahoo.co.uk). We are open **ALL DAY** on a Monday & Wednesday and also open on a Friday morning. Please call us on 07729 771344 for more information.

The New Year started with seven Air Cadets from 859 Squadron visiting the Edinburgh Airport Air Traffic Control Tower and witnessing first-hand the work of the air traffic controllers before getting a guided tour of an EasyJet Airbus airliner.

At the squadron the cadets have continued to make a radio controlled robot for the Rampaging Chariots competition later in the year. The newer cadets have continued training towards their First Class Cadet classification by learning about airmanship and aircraft controls.

The efforts towards the Duke of Edinburgh award has started with the cadets carrying out gym tests which form part of the physical requirements for the award. In the next few weeks they shall be starting to train towards the expeditions with map work and navigation sessions before going out into the hills.

Christmas has come and gone but, as we move forward through the year, the events of that first Christmas continue to impact on our lives and we rejoice in that fact.

## Frontline Fife

As a result of our Christmas Card delivery service and retiring offerings from some of our Christmas services we were delighted to be able to hand over a cheque for £810 to Frontline Fife to help with their work in dealing with homelessness. We were also able to deliver non-perishable food items to them in time for Christmas. The Church will accept non-perishable food items or charity shop items for Frontline Fife on any weekday morning from 9.30am – 12 noon. These are used to support homeless families and those in crisis situations.

## Medical Aid for Palestinians

A letter of thanks was received before Christmas from MAP for the donation of £3,600 from our Harvest Appeal. In the letter MAP indicated... "Your very kind donation is being put to work for the health and dignity of Palestinians living under occupation and as refugees... Everything you are doing is helping the people of Palestine to endure the trauma and insecurity they face... Thanks to your efforts we are able to provide essential medicines in Gaza, support training programmes..., provide support to children and support midwives..."

## Helping Older People

Winter weather (winter's not over yet!) and illness can be a minor inconvenience to many of us or it can cause a major problem, especially for older people who run out of foodstuffs and who are unable to go shopping and have no-one to go for them.

We can help! If you are stuck at home and have run out of **basic** foodstuffs, phone our Church office (824092) between 9.30am – 12noon on weekdays and we will arrange to deliver what you need; outwith those times call 726238.

## Needing a quiet place?

The Church has a 'Quiet Room' which is open Monday – Friday from 9am until 6pm. The room can be accessed from the side of the building nearest the Squash Club and there is space for people to have time on their own, or with others; a place to think; a place to contemplate. There is no direct access to the Church from this room and people can come and go as they please.

## Church activities

If you enjoy singing new songs (and old ones) then Dalgety Parish Church is the place to be at 6.30pm on Sunday 9 February. Come and sing and then share in worship.

...and also on 9<sup>th</sup> and 23<sup>rd</sup> February, at the earlier time of 12noon, our 'Roots & Wings' group for 17 – 25 year-olds meets in the Church. Explore issues of the Christian faith in a relaxed atmosphere!

The Connexion, a Forth Churches supported group for young people, is presenting a film night on 14<sup>th</sup> February at 7pm (looking for something on Valentine's Day?). The film is "Sunshine on Leith" and admission is free.

Forth Churches Guild meets on 5<sup>th</sup> and 19<sup>th</sup> February at 7.30pm in Rooms 1 & 2 and the meetings are open to all. On the 5<sup>th</sup>, the meeting will be addressed by Trevor Francis MBE, Aberdour and on the 19<sup>th</sup>, by Lt Colin Scott, Salvation Army, Dunfermline.

On 28<sup>th</sup> February Forth Churches Guild is presenting the internationally renowned singer, "Bruce Davies in Concert" at 7.30pm. Tickets, which include refreshments, cost £5 and are available from the Church office (824092) and Guild members. Proceeds from the concert will go towards national Guild projects, supporting work in India, Rwanda, and Malta amongst others.

# DB Dalgety Bay DC Day Care

[www.dalgetybaydaycare.org.uk](http://www.dalgetybaydaycare.org.uk)

Dalgety Bay Day Care

is a Scottish Charity; No. SC 016093

and is Financially supported by Fife Council

The Day Care members were saddened to hear of the death of Helen Eadie MSP. Helen attended the celebrations and officially opened our new centre in 1997. She was a great supporter of the work we do to help older people in Dalgety Bay and will be sadly missed by the community and especially by her family.

After our Christmas break things have settled back to our normal role of providing a welcoming and safe environment for the not-so-able in Dalgety Bay.

Our Christmas celebrations went very well culminating in an excellent lunch for 40 members, volunteers, and committee members at the Woodmill Restaurant, Dunfermline. The special Christmas coffee morning was a success, and big thanks go to Janet Cowie and Anne Shields and all their helpers for their efforts during the year.

Progress is being made towards the purchase of a new mini-bus, which will give us a few more seats while still having the electric hoist for wheelchair access. We hope to source this in the next few months. Thanks must go to Ian Forsyth, our minibus coordinator, for everything he is doing to make this possible. We have been fund-raising for this for some time, and are grateful once again to the Allister Charitable Trust for their grant towards this project.

The centre continues to be available to community groups when not in use by the Day Care. Please contact us by phone or email if you are looking for a meeting place.

Finally, please consider if you would like to join with us in any capacity; member, volunteer, driver, escort, helper, whatever. Full details of the Day Care and these opportunities for you to help out are on our website, [www.dalgetybaydaycare.org.uk](http://www.dalgetybaydaycare.org.uk). # Fundraising!

My name is Claire Brown, I am 20 years old and I am a member of the Dalgety Bay Community. I have lived in Dalgety Bay for 17 years. During my time at secondary school, I worked at the Dalgety Bay post office for 4 years and was well known as the Saturday girl there.

For the last 3 months I have been fundraising for the charity Childreach International through the Childreach International society at Dundee University. This new and amazing charity works to protect children's basic human rights all over the world; keeping children safe and securing their rights is at the centre of what the charity does.

I have signed up to take part in one of the charities challenges which is called 'Climb Kilimanjaro for Kids'. This challenge includes raising £2650 and then in August I will not only be travelling to Tanzania to visit the schools where the money I raise will help, but will also be climbing Mount Kilimanjaro; the highest free-standing mountain in the world at 5,895 metres.

So far I have raised £629.89 and have lots of ideas to continue to get closer to my target. On the 14<sup>th</sup> of February I am holding a coffee morning at the Dalgety Bay Parish Church from 10am to 12pm. There will be lots of cakes and drinks and also a raffle – it should be lots of fun with a great atmosphere!

I also have a donation page where people are welcome to make donations to this great cause - <https://mydonate.bt.com/fundraisers/claibrown1>. Any donations would be greatly appreciated!

## Dalgety Bay Curling Club

The run up to the festive season was a busy period for Dalgety Bay Curling Club with several closely contested competitions. The Stoddart Cup was won narrowly by Chris Stuart's team, and Leslie Wilson plus Jess Skelton won the Pairs competition. Both our Points competitions were shared (!) — Leslie Wilson and Eric Tittley winning the scratch prize while the handicap was won jointly by Karen Gibb and Ann McLanaghan. We also played in anniversary bonspiels to celebrate Raith and Abbotshall's 125<sup>th</sup> anniversary and the 275<sup>th</sup> year of Dunfermline Curling Club where our teams produced good performances and won both their games.

The New Year brings our Junior Skip league (allows club players a chance to try playing as skip), plus several matches in the Province League and Kinross League, the start of our Suttie Cup, and a bunch of friendly matches with other clubs.

## INVERKEITHING MEDICAL GROUP SURGERY NEWS February 2014

### PRACTICE TELEPHONE LINES – UPDATE

Following feedback from patients, we have changed the way our telephone lines are answered. The options for specific areas of the service have been dispensed with. Instead, patients phoning the surgery number 01383 413234 will be able to speak directly with a member of our reception staff. Please note that surgery lines tend to be very busy between 8.30 and 10.00am/2.00 and 3pm when urgent house calls etc are being booked. Please avoid calling during these times for non urgent requests.

### ON-LINE REPEAT PRESCRIPTION REQUESTS

Patients can now request their repeat prescriptions on-line. Patients already registered for on-line appointment booking can use their existing log in details to access the online repeat prescription service. Patients wishing to obtain log in details for requesting on-line repeat prescriptions and appointment booking should ask at reception for further details.

For safety reasons the practice will cease taking repeat prescriptions by phone. We will, however, continue to take requests for housebound patients until adequate arrangements can be made to ensure that they can obtain their repeat prescriptions by another method.

### Other ways to request repeat prescriptions:

1. Make arrangements with the local pharmacy.
2. Complete the repeat prescription slip and post in the prescription box in the surgery.
3. Email your request to: [fife-uhb.dalgetybayscripts@nhs.net](mailto:fife-uhb.dalgetybayscripts@nhs.net)

## Dalgety Bay Fairtrade Group

Fairtrade Fortnight will be celebrated from 24 February to 9 March. It will be an opportunity to focus on Fairtrade, what it means, how it affects us and how we can influence retailers to press for a more just and equitable world by ensuring producers get a fair deal and a fair price for their goods.

To focus attention on this year's Fairtrade Fortnight and as part of our campaign to retain Fairtrade Town status for Dalgety Bay, we will be running a Fairtrade coffee morning on Saturday 1 March, from 10am –

12noon in Dalgety Parish Church. We also plan to have an information stand in Asda's foyer on Friday 28 February and in Tesco on Friday 7 March.

As part of the Co-op's celebration of 10 years since Fairtrade wine was first introduced, there will be a wine tasting evening on Wednesday 26 February (7pm – 9pm) in Dalgety Parish Church. The evening will be presented by the Co-op who will conduct a tutored tasting session. Tickets for this will be free but as numbers will be limited, admission will be by ticket only - application for tickets should be made to the Secretary or Chair, or members of the Fairtrade Group. It promises to be a fun evening.

Promoting Fairtrade and highlighting Fairtrade issues means that we have to take the Fairtrade message into the community and a programme of visits to organisations and businesses is underway. We are currently discussing with the primary schools a competition to design a Fairtrade bookmark and, if all goes according to plan, these should be available during Fairtrade Fortnight.

It was disappointing to learn that Fife Council has rejected our application to fund the installation of 'Fairtrade Town' signs at the entrances to Dalgety Bay but, with great support from the Community Council, we are continuing to explore this avenue.

By buying Fairtrade products, you are helping to ensure that producers get a fair price for their product. This enables them to improve their standard of living, pay for their children's education and healthcare costs and contribute to the local economy which, in turn, benefits their whole community.

If you would like to become a Fairtrade supporter; would like more information about events during Fairtrade Fortnight, or if you would like more information about Fair Trade generally, please

contact Winnie Wood (822516) or Robin Arnott (822293). Have a look at our new web site ([www.fairtrade-dalgetybay.org.uk](http://www.fairtrade-dalgetybay.org.uk)) and read about the 2015 Declaration.

## Chernobyl Children's Life Line

### Host Families Wanted

I first became aware of Chernobyl Children's Life Line Charity six years ago when my son was asked to help out during the summer holidays as part of his Scouting programme. He spent several days taking part in a variety of activities with the visiting Chernobyl children at Dalgety Bay Scout Hut. He did exactly the same the following year and then suggested that the rest of the family become involved by hosting two children next time!

I got in touch with the local co-ordinator of the group and was truly amazed by the information I was given. Although over 25 years have passed since the original accident at Chernobyl, people in the Ukraine and Belarus are still living close to the reactor, many of them making a living off the land – which is obviously still heavily irradiated. The health implications of the constant exposure to the radiation are many and varied – particularly for children.

Chernobyl Children's Life Line provide the opportunity for children from the worst affected areas to visit Britain for four weeks in the summer holidays. The children stay with host families in pairs for two weeks, with a swap over half way through their visit. Each local area link group work hard to provide the children with a wide range of fun activities along with dental care, sight and health checks, lots of fresh fruit and vegetables and many happy memories to take home with them. It is estimated that four weeks here, away

from the radiation, can extend a child's life expectancy by several years.

The children come over in groups of 8 or 10, accompanied by a responsible adult leader from their local area who can speak English. The leader is on call throughout the visit. There is lots of information, help and advice available for host families and there is always someone at the end of the phone or who can pop round to chat. The local area link also arrange Russian lessons in advance of the visit.

As a family, we have found it to be a lovely, positive experience – spending time with the children, getting to know the other host families and attending link events with the children. The other local link members have also become good friends over the years.

So, if you have a spare room, would be willing to have two 10-12 year olds to stay for two weeks in July this year or can help in any other way, please get in touch with either me or the link chairperson, Patrick Reddington 01592 642374
